## COUNTY SHORT COURSE SWIMMING CHAMPIONSHIPS 2024 – ENTRY PACK

Should the championships be oversubscribed then the promoters reserve the right to reject the slowest entries. This will be achieved by accepting entries in order of entry time by age in order to fill the available time in the most efficient way taking into account the number of swimmers and the overall length of the session.

All entry times must be registered on the British Swimming Rankings database at level 1 to 4 meets. Entry times, converted if necessary to a 25m pool via the Sportsystems Entry Manager, must have been achieved after 1<sup>st</sup> January 2023 and must be equal to or faster than the consideration time for that event published in this pack.

Times registered on the Masters Rankings database will be eligible for entry to the competition should they comply with the above entry conditions.

The published times in this entry pack are consideration times and do not guarantee any right of entry.

Entries must be submitted via the google form advised, using the entry files produced by Sportsystems Entry Manager (or equivalent) and must be accompanied by the entry reports produced by Sportsystems Entry Manager (or equivalent) and the entry summary found at this end of this pack.

### PARA SWIMMERS

Derbyshire ASA operate an inclusive policy for para swimmers in this competition. Swimmers will be ranked using British Para-Swimming Points. Awards will be made to the top three in each event. Para swimmers do not have to meet the consideration time criteria.

Please Note: Para swimmers may not be able to enter using the electronic entry manager system. Clubs should email [entries@derbyshireswimming.org.uk](mailto:entries@derbyshireswimming.org.uk) for details of how to enter if this is the case.

### PROVISIONAL / ACCEPTED ENTRIES

All provisional accepted and rejected entries will be posted on the Derbyshire ASA website as soon as possible after the closing date for entries. Should refunds need to be issued, they will be sent to the swimmer's club.

Club Coordinator's must report errors by: Wednesday 18<sup>th</sup> September 2024.

### WITHDRAWALS

All swimmers who know they will not be able to swim at the competition are asked to withdraw to avoid the gala being run with empty lanes.

The deadline for withdrawals for events in the first session of each day will be 6.00 pm the day before.

The deadline for withdrawals for events in subsequent sessions each day will be the start of racing of the first session of the day

Withdrawals can be made by email to: [entries@derbyshireswimming.org.uk](mailto:entries@derbyshireswimming.org.uk) or by such online method as may be advised to all clubs submitting entries.

Receipt of withdrawals may not be acknowledged.

### CHAMPIONSHIP AWARDS

Awards will be for the first six in each age group (10/11, 12, 13, 14, 15, 16, 17/19 and 20&Over)

Awards will be available for collection throughout the day once they have been declared. Awards not collected on the day will be forfeit.

All entry times must be registered on the British Swimming Rankings database at level 1 to 4 meets and if not will be rejected. Entry times, converted if necessary to a 25m pool via the Sportsystems Entry Manager, must have been achieved after 1<sup>st</sup> January 2023 and must be equal to or faster than the consideration time for that event. Swimmers will only need to inform their club of the events they wish to enter as times will be taken directly from the British Swimming Rankings database.

Payment should be made to your club who will collate all entries and forward one payment to Derbyshire ASA.

NOTE: This form **does not** need to be submitted to Derbyshire ASA as entries are submitted electronically but should be retained by your club to enable any queries to be resolved. Manual entries will be rejected.

Details of all provisional and accepted entries will be posted on the Derbyshire ASA website ([www.derbyshireswimming.org.uk](http://www.derbyshireswimming.org.uk)) as soon as possible after the closing date for entries.
