Derbyshire Hall of Fame

National County Team Championships (Inter Counties), 2001–2025.

This report picks outstanding Derbyshire swims from the published Sportsystems pages for every year in the Swim England archive. There was no meet in 2020 or 2021.

The names that run through the county team are already national names: **Adam Peaty** won the Division 1 14/15 and 16/17 100 breaststroke in 2010 and 2011; **Imogen Clark** has the most golds in this archive (six, 2012–2016); **Jacob Whittle** won the 14/15 100 free in 50.21 in 2019. Derbyshire won **Division 2 in 2001** (points not in the published archive) and again in 2022 (505 points), finished **3rd in Division 1 in 2024**, and **4th in 2025**.

All-time top 5 female and top 5 male

Ranked on Hall of Fame swims, with individual medals weighted above relays so a specialist is not outranked by mixed-relay appearances. A Division 1 individual gold is worth 20, a Division 2 individual gold 12, a Division 1 silver 8 and bronze 5. A named relay gold is 3 (Div 1) or 2 (Div 2). Tie-break is individual golds, then Division 1 golds. Years are every year they raced for Derbyshire, including years without a Hall of Fame swim (Lydia Cordle in Division 2 in 2022).

Six eligible years

A swimmer can represent the county at 12/13, 14/15 and 16/17 — **six years** in all. Nobody has completed all six.

The closest completed run is **five consecutive years** across all three age groups (ten swimmers below).

Lydia Cordle has been selected four years running (2022–2025) and can still swim all six if she is picked again in 2026 and 2027.

Name	Years so far	Years raced	12/13	14/15	16/17	Still to come
---	---	---	---	---	---	---
Lydia Cordle	4	2022, 2023, 2024, 2025	2022, 2023	2024, 2025		16/17 in 2026 and 2027

Ten others finished five consecutive years covering all three age groups:

This is who raced (individuals or named relay legs). Unused reserves, and older relays with no named legs, would not show.

What counts as Hall of Fame

- **Gold** — winning the event, Division 1 or Division 2, individual or relay.
- **Silver / Bronze** — a medal in **Division 1** only (the top table).
- Division 2 silvers and bronzes are listed on the spreadsheet *All podiums* sheet, not here.

Spreadsheet: `derbyshire_nctc_hall_of_fame_2026-09-07.xlsx` — tabs **Top 5 male & female** and **Six-year club**.

Headline numbers

- 22 Derbyshire appearances in the published archive (every year from 2002).
- Two Division 2 titles: **2001** (points not published) and **2022** (505).
- 49 event wins.
- 42 further Division 1 silvers and bronzes.
- 91 Hall of Fame swims in total.
- All-time lists: top 5 female and top 5 male (see above, and the spreadsheet tab).
- Nobody has six years in the results. Lydia Cordle has been selected four years running (2022–2025) and can still swim all six. Ten others finished five consecutive years across all three age groups.

Division champions. Confirmed on the Swim England Derbyshire team honours list. The Sportsystems archive begins in 2002, so there is no points table or event list for this year.

Sources and limits

- Heat-declared winners at Ponds Forge (25m).
- Older pages used abbreviated county names (Derbyshi ASA); those are treated as Derbyshire.
- Relay legs are taken from split rows when Sportsystems printed them. A few older relays have no named legs.
- A person named Derbyshire swimming for another county is not counted (for example Ella Derbyshire of Cheshire in 2025 Division 2).
- 2005 Division 2 team total 393 (7th) matches the last-race live table.
- 2001 Division 2 win is recorded on the Swim England Derbyshire team page; no points or event results are in the archive.
