COUNTY SWIMMING CHAMPIONSHIPS 2027 – ENTRY PACK

The promoter will have to make such changes as are needed to the programme or to restrict numbers of entries at any time due to changes or conditions imposed by the pool operator or other authority.
Please check for latest update at www.derbyshireswimming.org.uk

ENTRIES
All entries must be submitted through the swimmer's club coordinator and receipt will be acknowledged via email.

Entries must be created using the Sportsystems Entry Manager which is available for all clubs. Entries not validated as created by Sportsystems Entry Manager may be rejected.

The method of submission of entries is via the google form located at https://forms.gle/xPQiF8e8Wduwc7nP8

The Sportsystems entry file together with reports on entries for open/male and female categories produced by Sportsystems Entry Manager must be uploaded via the google form advised together with the summary of entries found at the end of this pack.

Payment for entries must be made to your club who will collate all the entries and forward one payment to Derbyshire ASA.

Manual entries will not be accepted and will be returned.

Should clubs need advice on how to use the electronic entry system they should email: entries@derbyshireswimming.org.uk for assistance.

Only one set of entries will be accepted from each swimmer.
No additional entries will be accepted after the closing date.

POOLSIDE ACCREDITATION
All coaches and team managers must purchase the event specific accreditation via the SE online system at https://www.swimmingresults.org/member_options/ – accreditation must be presented on site and a wristband obtained for poolside access which must be worn on the accredited person's wrist at all times unless specific medical exemption has been approved by the promoter, otherwise poolside access will not be permitted.

Suitable ratios of coaches and team managers must be maintained at all times as required by Wavepower and the latest Swim England policy.

ENTRIES
Should the Championships be oversubscribed then the promoters reserve the right to reject the slowest entries. This will be achieved by applying a percentage reduction in the consideration times across each age, taking into account the number of swimmers and the overall length of the session. The number of heats of the 1500m & 800m Freestyle events may in addition be limited in order to fulfil operational requirements.

All entry times must be registered on the British Swimming Rankings database at level 1 to 4 meets or the Masters Rankings database.

Entry times, converted if necessary to a 50m pool via the Sportsystems Entry Manager, must have been achieved after 1st January 2026 and must be equal to or faster than the consideration time for that event published in this pack. We will rank the fastest swimmers' entries to fill the time available.

PARA SWIMMERS
Derbyshire ASA operate an inclusive policy for para swimmers in this competition. Swimmers will be ranked using British Para-Swimming Points. Awards will be made to the top three in each event or the number completing the event if less than 3. Para swimmers do not have to meet the qualifying time criteria.

Please Note: Para swimmers may not be able to enter using the electronic entry manager system. Clubs should email entries@derbyshireswimming.org.uk for details of how to enter if this is the case.

PROVISIONAL / ACCEPTED ENTRIES
All provisional accepted and rejected entries will be posted on the Derbyshire ASA website as soon as possible after the closing date for entries. Should refunds need to be issued, they will be sent to the swimmer's club.

Club Coordinators must report errors by: Monday 18th January 2027.

WITHDRAWALS
All swimmers who know they will not be able to swim at the competition are asked to withdraw to avoid the gala being run with empty lanes. The deadline for withdrawals for events in the first session each day will be 6.00 pm the day before. The deadline for later sessions will be the start of racing in the previous session.

Withdrawals from heats can be made by email to: entries@derbyshireswimming.org.uk, by submitting a form to event control, or by such other online method as may be advised.
Withdrawals from finals must be notified on a form available from event control within 10 minutes of the publication of the results of the last qualifying event in each session. Receipt of withdrawals may not be acknowledged.

FINALS
The fastest up to 8 swimmers in each finals age group, from the heats in events with finals, will qualify for the final.

Where sufficient swimmers exist in an age group up to 2 reserves will also be advertised for each final.

If there is a tie for 8th place a swim-off may take place to decide the 8th swimmer. If there is a tie for the 2nd reserve place a swim-off may take place to determine the second reserve.

Swimmers who are not intending to swim in the final need to withdraw within 10 minutes of the publication of the results of the relevant event finals list. An updated finals list will then be published and reserves notified that they are expected to swim.

Finals will be swum in the following age groups: 10/11, 12, 13, 14, 15, 16 and 17&Over.

CHAMPIONSHIP AWARDS
In the events with finals, awards will be decided from the result in the final (and will take precedence over the heat time). Please note awards for the 10/11, 17/19 and 20 & Over age groups will be decided from the results of the finals with lower positions for those not taking part in the final being decided by their times from the heats.

Awards will be given to the top three (or number completing the final if less than three) in each final.

In the Heat Declared Winner events, awards will be for the top three (or number completing the event if less than three) in each age group (10, 11, 12, 13, 14, 15, 16, 17/19 and 20&Over).

Awards will be available for collection throughout the day once they have been declared. Awards not collected on the day will be forfeit.

TROPHY WINNERS FROM 2026
Please can all trophy winners ensure all trophies are returned to the medals desk at the first session of the Championships or earlier as arranged with the trophy coordinator. Please contact the trophy coordinator by email: trophies@derbyshireswimming.org.uk if this cannot be compiled with.

All times on this page are based on a long course (50m) pool. Conversions made by the Sportsystems Entry Manager will be accepted.

Consideration times do not guarantee entry. Should the championships be oversubscribed then the promoters reserve the right to reject the slowest entries. This will be achieved by applying a percentage reduction in the consideration times across each age, taking into account the number of swimmers and the overall length of the session.

All entry times must be registered on the British Swimming Rankings database at level 1 to 4 meets or the Masters Rankings database and if not will be rejected. Entry times, converted if necessary to a 50m pool via the Sportsystems Entry Manager, must have been achieved after 1st January 2026 and must be equal to or faster than the consideration time for that event. Achieving the consideration time does not guarantee entry.

Swimmers will only need to inform their club of the events they wish to enter as times will be taken directly from the British Swimming Rankings database.

Payment should be made to your club who will collate all entries and forward one payment to Derbyshire ASA.

*NOTE: This form **must not** be submitted to Derbyshire ASA as entries are submitted electronically but should be retained by your club to enable any queries to be resolved. Manual entries will be rejected.*

Details of all provisional and accepted entries will be posted on the Derbyshire ASA website (www.derbyshireswimming.org.uk) as soon as possible after the closing date for entries.
